Dear Mr. Griffin:

Naval Surface Warfare Center, Crane Division submits the enclosed revised pages for the Solid Waste Management Unit (SWMU) 11 (B225) Resource Conservation and Recovery Act (RCRA) Facility Investigation (RFI) Report. The revisions incorporate changes per your October 1, 2014 comment and will make the document a Final Report. Furthermore, per your recommendation, an alternative will be evaluated in the Corrective Measures Study for addressing ground water contaminants should the preferred remedy fail to demonstrate attenuation of the volatile organic compounds. The permit required Certification Statement is also provided for your records.

If you require any further information, my point of contact is Thomas J. Brent, telephone 812-854-6160 or email thomas.brent@navy.mil.

Sincerely,

C. D. FREEMAN
